At 7:00 AM students will be released to Flex areas, the Library, and the Gym. Please remember the CTE building is closed before school. Thank you for following morning expectations and staying in the commons area until you are released at 7:00 AM.

Please also remember the expectation about use of Chromebooks in the Commons before school starts. If you arrive early, before the rest of the building is open, you MAY use your Chromebook in the Commons. However, as soon as the breakfast lines open and students are allowed to enter other areas of the building, the Commons becomes a NO Chromebook Zone. After 7:00, Chromebooks are allowed in Flex areas and the Library, but not in the Commons. Thank you!

- 4) The ASB window will be closed all day tomorrow, Thursday 4/18/19. Students, if you need to pay for a lunch tomorrow please go to the main office.
- 5) Come find out how our universe formed and what the latest is on multiple universes at astronomy club Today at 2:10 in room 3510.

6) Marian Wright Edelman, founder of the Children's Defense Fund, has this to say about her childhood:

*My daddy used to ask us whether the teacher had given us homework.  
If we said no, he'd say, "Well, assign yourself."*

Part of growing up is learning self-discipline \_\_ learning to discipline yourself so that the adults in your life don't have to. And as Marian Edelman's father says, you have to start learning to "assign yourself" by deciding when to put in a little extra effort, when to review, when to move ahead, and when to create a timeline or a project plan. Today, take another step toward becoming a responsible, successful human being. Assign yourself to a job that you know you need to get done.

**It will be a great day if you choose to make it one, Have a great day Cubs!**
