

Good Evening CKMS Families,

As a reminder, our family conferences are being held this year October 27-28. We will not have school on those 2 days district-wide. As a CKMS staff, we have worked over the course of the last year to take a look at how we have been organizing our conferences, who we are conferencing with, and who we need to conference with based on student performance. What we learned is we need to change our format so that we are not using a “first come, first served” approach. We are taking a more intentional approach to conferences so that our students who need more support are going to be scheduled first. We have reached out to students’ families that have been identified as needing a scheduled conference. If you did not receive communication for your student and would like to conference we will have drop-in times available on Thursday Oct 27 from 2:00-4:00pm and 6:30-8:00pm. We want to encourage all students to attend their conference so that they can be a part of the conversation.
